WELLS RIVER

The last card party given by the Woman's Relief corps was held in the rooms of the W. R. C. last Tuesday evening. About 12 tables were played. Punch and wafers were served and a good time enjoyed by all present.

Elwin Cameron spent the week end with his father, Sidney Cameron. Elwin is still employed at Newport.

In a weird baseball game last Saturday the boy scouts succeeded in winning from South Ryegate by the score of 14 to 12, in 10 innings. In the early innings the game progressed nicely. Near the end, however, each side, fearing the other, began to put in older players, until the end resembled a town-team in places. However, we all enjoyed the game and hope the boys will play some more.

Since the acquisition of the local ball field there has been considerable talk of a town baseball team of similar calibre to the teams of olden times, when Wells River was well represented on the baseball map. Certain ones have taken the matter in hand and a team which we hope will give a good account of itself has been organized. The following lineup has been decided upon after several nights of practice: Bailey, C. Brown, P. Vincent, H. Merchant, B. Chase, as, Bally, G. George, Allen and one other in the field. Merchant has charge of the team. The first game is to be played here with Bradford on Saturday and a return game at Bradford on Memorial day. It is hoped that everyone will turn out and give the boys their support.

The change of time in the local mail train north on the Passumpsic division brings all the trains in at 3:30 p. m.

The first degree was conferred by P. Laski lodge, No. 58, F. and A. M., at their regular meeting last Monday night.

CORNS LIFT OUT

Freezone is magic! Corns and calluses lift right off—

Doesn't hurt a bit

A few cents buys a tiny bottle of the magic Freezone at any drug store. Apply a few drops of Freezone upon a tender, aching corn or a callus. Instantly that troublesome corn or callus stops hurting, then shortly you lift it out, root and all, without any pain, soreness or irritation. These little bottles of Freezone contain just enough to rid the feet of every hard corn, soft corn, corn between the toes and the calluses on bottom of feet. So easy! So simple. Why wait? No humbug!—Adv.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.
